

# Bithiah's Family Services 2022 Impact Report

*"Alone we can do so little, together we can do so much" Helen Keller*

## At a glance

2022 was a year of growth for Bithiah's Family Services. In addition to moving to a larger Resource Center, Bithiah's expanded service to include mental health support, parent reunification classes and launched a mentorship program.

## By the Numbers

### 42 SUPPORT GROUPS

Classes & Trainings to support foster, adoptive, kinship families and youth in the foster care system

### 11 EVENTS

for youth in the foster care system

### 4 ROUNDS

Parent Reunification Classes

### 30-40 FAMILIES

Served monthly at the Resource Center

### 62 WOMEN

Attended our annual Bithiah's Heart Retreat

## THANK YOU

Bithiah's is thankful for each and every volunteer and donor. From diaper donations to volunteers lending their truck to help with the move, each person who donated time, talent or made a financial donation is greatly appreciated. The program is reliant on donors and volunteers and could not run without community support and engagement. Thank YOU for your support in 2022.

## PARTNERSHIP

2022 was an incredible year for community partnerships. Bithiah's has a robust and engaged partnership with Azusa Pacific University and their School of Psychology and Child Life Specialist Program. Our partnership allows us to serve the community in 3 ways:

**Clinician Led Support**  
Groups to serve  
foster, adoptive and  
kinship families

**Free therapy for**  
youth in foster care  
and their families

**Events to serve the**  
community with  
Clinician & Child Life  
Specialist support

## LOOKING AHEAD

### San Diego Resource Center

1

This year we will be opening a sister site to our Pomona Resource Center. This visitation center and warehouse will meet the needs of youth in foster care and their families in San Marcos.

2

### Open Table Mentorship

We are excited to start our newly launched mentorship program. This community-led "table" will serve transitional aged youth.

3

### Visitation Room Revamp

We are thrilled to redo and bring life to one of our visitation rooms. Beginning in April, this room will receive climbing equipment, a sensory wall and toys and games to bring fun to our teen visitations.
